Dedication

Firstly I dedicate this book to my Lord and Savior, **Jesus Christ**. You are 100% REAL, and You hold my hand when I feel weak. I am grateful that You chose me. You have blessed me, and loved me through my mess, and with all of my flaws and quirks. I am created in Your image! You made me beautiful! My very personality comes from You! The joy I feel to be chosen by You overwhelms me! Thank You so much. You are worthy.

Secondly, I believe this book will be a game-changer for all the women who read it. I dedicate it to you the reader for your courage to take a stand for Christ, the courage to have the willingness and boldness to take your rightful stance as a daughter of the Most High in honoring your vessel (body). God is with you, He is for you, and He is ready to assist you in the areas where you need healing. If God did it for me, He can surely do it for you.

“I can do all things through Christ who gives me strength.” Philippians 4:13

I have seen You work in others, and I want You to work in me.

Shout Outs

I could never author a book or do anything on this earth without thanking my mother, Murl V. Gauntlett. You are so kind, and I appreciate your labor of hard work when I was younger. I can never thank you enough for the sacrifices you made for my education. With the help of God, you made things work, no matter how rough, no matter the mental anguish. Sometimes I sit back and think to myself, “My life could have been so different if you had chosen to just ‘throw in the towel.’” Because you didn’t and kept on keeping on, here is a piece of that product. May God see you through any adversity, any trial; may He grant you blessings upon blessings. I hope to give you your flowers while you are here, now. I love you immensely.

Thank you, Bishop Ben Osuji, for always being a phone call away. You are such a great person and a wise spiritual leader.

Dr. Mike Murdock, your profound wisdom inspires and

excites me. “What you make happen for others, God will make happen for you.” “Every champion has discovered that pain is seasonal. It will pass, so don’t be discouraged by it. A new day is about to dawn in your life.”

Pastor Whitfield Harrington, your ministry changed my life in more ways than one; I could have never imagined. **Psalm 144:1, “Blessed be the Lord, my strength, which teacheth my hands to war, and my fingers to fight.”** I thought I was well-versed, but “Oh my,” the gifts operating in you are a game-changer.

Saniya and Stephon: My young adult twins, you both are two of my greatest gifts from God. Come what may, Mommy Melley loves you sincerely and deeply.

Among my family, I am grateful for Paula B., Erron G., Marsha G., and Ronelle D. In my circle of friends, I cherish Nichole Hunte, Ronald Barzey, and others who hold a special place in my heart, even if I can’t name them all at this moment. To my beloved godchildren and nieces, Christian D., Christopher P., Shyanne A., Carter P., Cheyenne P., McKenzie K., and Madeline K., know that you are all blessed and covered with love.

Prayer of Agreement

Father, I pray that whosoever shall pick up this book to read shall be made whole and set free. Father, there are no coincidences with You; there is no fate, only faith in You. I pray that Your Holy Spirit, our Helper, will encourage, inspire, and, most of all, set free the person reading this book. I pray that You will open their eyes to the revelation and the truth of Your Word. Father, I decree and declare that through the blood of Jesus Christ, every evil yoke of lust and every wrong soul tie will be broken by the power and authority of Jesus. The person reading this book will be renewed and changed from the inside out. Your Word says in **Matthew 7:7**, “**Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you.**” Open the eyes of those seeking answers, those seeking truth. I pray that their lives will never be the same.

Amen.

Please Note: When I mention the word “enemy”, this identifies the fallen angel also known as “the Devil, Lucifer, Satan.” This real entity exists in the unseen

realm of the earth. He is also known as the Prince of the Air. Please don't underestimate him, because he is surely not underestimating you.

Preface

I believe this book will be a game-changer, altering the way you perceive relationships with the opposite sex. **Sex that has not been done the way God intended it to be done has messed up so many people's lives.** Whether you want to believe that statement or not, it's the TRUTH DOT COM. I have been praying that anyone who reads this book will have their lives altered and set up for a DIVINE CHANGE. We have to start discussing such topics more in our churches, in our Bible studies, and on social media platforms. God wants the change to happen NOW, for all those who will read and ACT in obedience and complete surrender. May the God above, who sits in Heaven, speak to your spirit and pierce your heart. Not a long read, but imparted wisdom that will not only help you see things the way God sees them but set you free, and turn your life around. This is a deliverance read. Glory Hallelujah, Amen!

When God told me to start writing this book, He placed it in my spirit so strongly. I know the impressions of my heavenly Father; I may not get everything right, but this I know. There were times when I was unable to sleep, and moments when He prompted me to jot down thoughts and situations that He wanted me to convey. I'll be honest; I had thoughts like, "Lord, You want me to do this? You know how people react to this subject." Let me tell you, there was such an urgency, like when you have to use the bathroom and you have to go NOW! It felt as if my mind was racing, trying to capture what He wanted me to say. "Lord, I hear You, slow down," is what my spirit would communicate back. Don't let anyone ever tell you that the Creator of the universe does not have a voice. God speaks in many ways; unfortunately, many do not take the time to listen. If I could encourage anyone reading this, it would be to develop intimacy, an intimate relationship, with God. I assure you, this topic is on the mind of God. Yes, He is merciful and gracious, mighty and full of love, but He will warn us before and even as we self-destruct. I counsel you today to examine your life in this area and do what is necessary so that God can help you.

He helped me, and I will not hold back in using my testimony if I can help someone else. We were created to give God glory, all

Preface

of our pain, trials, and setbacks. God can and WILL use all of the crumbs of our lives so that people know that He is the one who has done ALL the work. The Holy Spirit (the Helper) does speak to your spirit man. In the words of Dr. Mike Murdock, one of my favorite mentors, “Never ignore the whispers of the Holy Spirit.” All Christians have this Spirit dwelling on the inside of them. This is what will help evoke a change and deliverance like no other in your life. If God delivered and set me free, you are no different. The Bible says that God is no respecter of persons (Romans 2:11), meaning He is fair. “The righteous Judge will not act according to any principle of partiality; the character and conduct, alone of the persons, shall weigh with him.” I want you to believe that all things are possible. Use my life, my conversations with God, and the wisdom He has imparted to me, for which I am so grateful and humbled. The fact that He would entrust little old me with all of my flaws to carry out an assignment on earth. On that note, let’s “do this.” I assure you, that purpose awaits you, and destiny is calling your name. Amen!

How can we lighten the load for our fellow brothers and sisters? How can we provide guidance that fortifies them on their journey, especially in moments of despair? What invaluable lessons have we gleaned that can be shared? How can we genuinely

help shoulder one another's burdens? As **Galatians 6:2** reminds us, we are called to bear each other's burdens, a tenet that this book strives to exemplify.
